

CORONAVIRUS – CAN WE HELP YOU IF YOU ARE SELF ISOLATING?

The Parish Council has organised local people in the village who are here to help. This can be as simple as a phone call if you are worried about anything, or if you just fancy a chat. Volunteers are also on hand to help with essential items such as shopping, posting letters or collecting and delivering prescriptions.

We know that many people are finding themselves, through no fault of their own, suddenly without income. Please call or drop us an email – we can do our best to get the assistance you need, which could include help from a Headley based community fund.

Call us on 01372 502004 or email clerk@headley-pc.gov.uk

The Parish Council extends its thanks to everyone who has volunteered to help those around us. With continued support from the Village Stores, as well as the Church and good neighbours, the call for help has been low, but nevertheless, our volunteers are greatly appreciated.

HEADLEY
PARISH COUNCIL

Thank You so much!

THE PARISH COUNCIL WOULD LIKE TO THANK JULIE AND GLEN AT THE VILLAGE STORES FOR THEIR FANTASTIC EFFORTS TO STAY OPEN FOR HEADLEY RESIDENTS THROUGHOUT THESE DIFFICULT TIMES.

We are reminded, as a community, how important Headley Village Stores are and how much they have stepped up to the plate by not only remaining open, but also providing a new delivery service that is open to all members of our community.

In-store, procedures have been introduced to ensure social distancing remains - including one customer at a time, two metre separation markings on the floor and the provision of hand sanitiser at the shop entrance.

Glen has tirelessly strived to find new suppliers due to stock shortages, resulting in a wide offering of products including excellent fresh fruit and veg, and packs of ready made frozen meals and quality meats, as well as a great range of essential items.

All products are available via the recently introduced home delivery service provided by Julie. This will benefit those who are self isolating or shielding, as well as any other members of the community who would prefer to shop local.

Times have clearly changed. Yet amongst these difficult days, there is good around us as we refocus both now and in the future to ensure continued support to our local facilities such as our village shop, who are proving their dedication and value to the community when it counts.
