What we are doing

We will be making adjustments to the Headley Common Road/Pebble Hill Road junction; altering the kerblines, islands, signage and road markings, priorities and undertaking carriageway resurfacing.

Proposed works area:

A proportion of Headley Common Road will be closed throughout the construction phase – the southern ‘slip road’.

Headley Common Road will be closed in full to motorists between the Pebble Close and Pebble Hill Road junctions during the school Easter holidays (weeks commencing 3 April and 10 April).

Various lane closure and temporary traffic signal set-ups will be required on Pebble Hill Road and Dorking Road throughout the construction phase.

Night-time closures (8pm-6am) on both Headley Common Road and Pebble Hill Road will be in place when the proposed re-surfacing tasks are carried out during the second half of the anticipated duration on site.

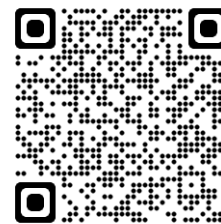

We will make sure you can get to and from your house or business when it is **safe to do so**. However, this is not always possible, and access cannot be maintained.

Please talk to a member of our staff on site if you need help – talking to our staff can solve most issues.
