Dear Tracy

Re: Headley Parish Council
Internal Audit Year Ended 31 March 2023 – Year-End Audit report

Executive summary

Following completion of our year-end internal audit on 22nd May 2023 we enclose our report for your kind attention and presentation to the council. The audit was conducted in accordance with current practices and guidelines and testing was risk based. Whilst we have not tested all transactions, our samples have where appropriate covered the entire year to date.

Our report is presented in the same order as the assertions on the internal auditor report within the published AGAR. The start of each section details the nature of the assertion to be verified. Testing requirements follow those detailed in the audit plan previously sent to the council, a copy of this is available on request. The report concludes with an opinion as to whether each assertion has been met or not. Where appropriate **recommendations for action are shown in bold text and are summarised in the table at the end of the report.**

Our sample testing did not uncover any errors or misstatements that require reporting to the external auditor at this time, nor did we identify any significant weaknesses in the internal controls such that public money would be put at risk.

It is clear the council takes governance, policies and procedures seriously and I am pleased to report that overall, the systems and procedures you have in place are fit for purpose and whilst my report may contain recommendations to change these are not indicative of any significant failings, but rather are pointers to improving upon an already well-ordered system.

It is therefore our opinion that the systems and internal procedures at Headley Parish Council are well established and followed.

Regulation

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. In addition to this, a smaller authority is required by Regulation 5(1) of the Accounts and Audit Regulations 2015 to “undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance.”

Internal auditing is an independent, objective assurance activity designed to improve an organisation’s operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. The purpose of internal audit is to review and report to the authority on whether its systems of financial and other internal controls over its activities and operating procedures are effective.

Internal audit's function is to test and report to the authority on whether its specific system of internal control is adequate and working satisfactorily. The internal audit reports should therefore be made available to all Members to support and inform them when they considering the authority's approval of the annual governance statement.

Independence and competence

Your audit was conducted by Mark Mulberry of Mulberry & Co, who has over 30 years' experience in the financial sector with the last 20 years specialising in local government.

Your auditor is independent from the management of the financial controls and procedures of the council and has no conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

Engagement Letter

An engagement letter was previously issued to the council covering the 2022/23 internal audit assignment. Copies of this document are available on request.

Planning and inherent risk assessment

The scope and plan of works including fee structure was issued to the council under separate cover. Copies of this document are available on request. In summary, our work will address each of the internal control objectives as stated on the Annual Internal Audit Report of the AGAR. As part of the inherent risk assessment, we have concluded that:

- There have been no reported instances of breaches of regulations in the past
- The client uses an industry approved financial reporting package
- The client regularly carries out reconciliations and documents these
- There is regular reporting to council
- The management team are experienced and informed
- Records are neatly maintained and referenced
- The client is aware of current regulations and practices
- There has been no instance of high staff turnover

It is our opinion that the inherent risk of error or misstatement is low, and the controls of the council can be relied upon and as such substantive testing of individual transactions is not required. Testing to be carried out will be "walk through testing" on sample data to encompass the period of the council year under review.

A. BOOKS OF ACCOUNT

Internal audit requirement

Appropriate accounting records have been properly kept throughout the financial year.

Audit findings

The year-end audit was conducted on site with the Clerk, who also acts as the council's Responsible Financial Officer (RFO). The Clerk had prepared the information advised in advance of the visit, and I have the impression that accounting records are neatly maintained and easily accessible. Other information was reviewed through discussion with the Clerk and a review of the council website [enter link to website]

The council continues to use the Rialtas Business Solutions (RBS) accounting package for recording the day-to-day financial transactions of the council. This is an industry specific accounting package and I make no recommendation to change. The system is used regularly to record transactions and produce management information reports for review at council meetings.

B. FINANCIAL REGULATIONS, GOVERNANCE AND PAYMENTS

Internal audit requirement

This authority complied with its Financial Regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for.

Audit findings

Check the publication and minuting of the prior year audited AGAR and notice of conclusion of audit.

The council was classed as exempt for the 2021/22 council year.

Confirm by sample testing that councillors sign statutory office forms.

I confirmed by sample testing that councillors sign "Acceptance of Office" forms. The council website provides details of councillors and includes their individual Register of Members' Interests Forms.

Confirm that the council is compliant with the relevant transparency code.

As the council's income does not exceed £25,000, it is a statutory requirement to follow the requirements of the Local Government Transparency Code for smaller authorities. The council has a transparency page on its web site and complies with this regulation.

Confirm that the council is compliant with GDPR.

The council is fully aware of GDPR and has undergone training. It was noted the council has established common email addresses for all councillors. This is recommended because it gives a natural segregation between work and personal lives, making it clear beyond doubt in what capacity a councillor is acting. In addition to this it gives control to the council, adds a degree of professionalism and in the event of a FOI request limits access to personal computers.

The Joint Panel on Accountability and Governance (JPAG) Practitioner's Guide (March 2023) contains updated guidance on the matter as below:

The importance of secure email systems and GOV.UK

- 5.205. All authorities except parish meetings must now have an official website. To comply with GDPR, councils should provide official email accounts for their councillors as well as for their clerk and other officers.
- 5.206. When choosing a domain name for the council's website and emails, many local council websites are appropriately making use of the official GOV.UK domain (for example, ourparishcouncil.gov.uk), with email addresses being linked to that domain.
- 5.207. Using a GOV.UK domain for your council website and email accounts demonstrates the council's official local government status. Members of the public are increasingly cyber security awareness, so a GOV.UK domain can also help to build trust, and credibility and visibly demonstrates authenticity. Many people will now reasonably expect a local council to have a GOV.UK domain name.
- 5.208. For the purposes of user management, councils should ensure that the proper officer can add and remove member and staff email accounts. Commercial 'dashboard' email and web systems offer centralised searching of all data contained within the system for effective compliance with GDPR Subject Access Requests and Freedom of Information Requests.

The council has a Privacy Notice and Accessibility Statement on the home page of its website, and it is clear the council has made every effort to comply with the website requirements.

Confirm that the council meets regularly throughout the year.

The council does not have any committees. Full council meets six times per annum.

Check that agendas for meetings are published giving 3 clear days' notice.

Per the Local Government Act 1972 Sch.12 P2 para 10 (2) I was able to confirm that at least 3 clear days' notice is given on agendas. The agenda is signed and the members are properly "Summoned".

Whilst we have not tested every single committee and council meeting there was no evidence of non-compliance in giving three clear days' notice of the meeting.

I remind council that where agendas are issued by electronic means the councillors will need to sign acceptance to receive information by electronic means. I have provided some sample wording below for council consideration.

"As per Schedule 12 of the Local Government Act 1972, I consent to the receipt of all council meeting papers by electronic methods. I understand I may withdraw this consent at any time."

I remind council it is required to also post any supporting documentation with the agendas as outlined by the Information Commissioner's Office (page 3 of this link) ico.org.uk/minutesandagendas.pdf

Check the draft minutes of the last meeting(s) are on the council's website.

Draft minutes are uploaded to the council website, ordinarily within 10 days of the meeting taking place. It is recommended to state on the website page that all minutes are draft until adopted at the subsequent meeting.

Confirm that the Parish Council's Standing Orders have been reviewed within the last 12 months.

The Standing Orders are based on the current NALC model and were most recently reviewed and adopted by council at the meeting held on 30th January (minute ref 6).

Confirm that the Parish Council has adopted and recently reviewed Financial Regulations.

Financial Regulations are based on the current NALC model and were last reviewed and adopted by council at the meeting held on 30th January 2023 (minute ref 6). The regulations contain provisions for the approval of spending, setting of budgets, reconciliation of the bank and reporting to council.

Check that the council's Financial Regulations are being routinely followed.

The council has thresholds in place at which authorisations to spend must be obtained as below:

FR 4.1. Expenditure may be authorised up to the amounts included for that class of expenditure in the approved budget. This authority is determined by: • the Council for items over £500 • the Clerk, in conjunction with the Chair or Finance Chair, for any items below £500 • in the absence of the Clerk, the Chair and the Finance Chair

Such authority is to be evidenced by a minute or by an authorisation slip signed by two, of the Clerk, Chair or Finance Chair, as appropriate. Contracts may not be disaggregated to avoid controls imposed by these regulations.

FR 4.5. In cases of extreme risk to the delivery of Council services, the Clerk may authorise revenue expenditure on behalf of the Council which in the Clerk's judgement it is necessary to carry out. Such expenditure includes repair, replacement or other work, whether or not there is any budgetary provision for the expenditure, subject to a limit of £500. The Clerk shall report such action to the Chair as soon as possible and to the Council as soon as practicable thereafter.

FR 10.1. An official order or letter shall be issued for all work, goods and services unless a formal contract is to be prepared or an official order would be inappropriate. Copies of orders shall be retained.

FR 10.2. Order books shall be controlled by the RFO.

FR 10.3. All members and officers are responsible for obtaining value for money at all times. An officer issuing an official order shall ensure as far as reasonable and practicable that the best available terms are obtained in respect of each transaction, usually by obtaining three or more quotations or estimates from appropriate suppliers, subject to any de minimis provisions in Regulation 11.1 below.

FR 10.4. A member may not issue an official order or make any contract on behalf of the Council. 10.5. The RFO shall verify the lawful nature of any proposed purchase before the issue of any order, and in the case of new or infrequent purchases or payments, the RFO shall ensure that the statutory authority shall be reported to the meeting at which the order is approved so that the minutes can record the power being used.

Based on the level of financial activity of the council, these authorisation thresholds appear appropriate.

I tested a sample of invoices and found these had been approved in accordance with the thresholds contained within the Financial Regulations, and approval, where needed, recorded in the minutes of meetings.

The council has Financial Regulations in place regarding the award of contracts, and this includes:

FR 11.1 (h) When it is to enter into a contract of less than £25,000 in value for the supply of goods or materials or for the execution of works or specialist services other than such goods, materials, works or specialist services as are excepted as set out in paragraph (a) the Clerk or RFO shall obtain 3 quotations (priced descriptions of the proposed supply); where the value is below £3,000 and above £100 the Clerk or RFO shall strive to obtain 3 estimates. Otherwise, Regulation 10.3 above shall apply.

I tested a sample of contracts awarded during the year and was able to confirm the thresholds contained within the Financial Regulations were applied.

Confirm all section 137 expenditure meets the guidelines and does not exceed the annual per elector limit of £8.82 per elector.
No s.137 expenditure

Check receipt of VAT refund matches last submitted VAT return.

The council submits its VAT return on a quarterly basis. I reviewed the submission for the period ending 31 March 2023 which showed a refund amount due of £1,454.15. I was able to confirm receipt of this amount to the council's bank account on 20th April 2023. The council is up to date with its VAT submissions.

Confirm that checks of the accounts are made by a councillor.

The system noted above details internal review takes place and I am under no doubt that council properly approves expenditure.

C. RISK MANAGEMENT AND INSURANCE

Internal audit requirement

This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.

Audit findings

The council has a risk management policy which was most recently reviewed and approved by council at the meeting held on the 30th January 2023 (minute ref 6). I reviewed the policy and the risk assessment record, which details the types of risk identified, who might be harmed and how, assigns a perceived risk level, records action taken and how the risk is managed. This type of approach is suitable for a council of this size and demonstrates that the council takes its risk management responsibilities seriously.

I confirmed that the council has a valid insurance policy in place with Hiscox which expires on 31st May 2023. The policy includes Public Liability and Employers Liability cover of £10,000,000 each and a Fidelity Guarantee of £250,000 which is sufficient for a council of this size. The listed asset cover appears appropriate based on the items recorded on the council's asset register.

We discussed assertion 8 on the Annual Governance Statement and whether this had any impact on the council.

“We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements.”

The Clerk confirmed that they were not aware of any event having a financial impact that was not included in the accounting statements.

D. BUDGET, PRECEPT AND RESERVES

Internal audit requirement

The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.

Audit findings

The council set a precept of £14,175 for 2022/23. With a tax base of 354, this equates to a band D equivalent of £40.04 (compared to the average in England of £74.81).

The Clerk confirmed that the 2023/24 budget setting process and precept setting was completed at the meeting held on the 9th December (minute ref 4).

The Clerk presents the budget performance information at every council meeting for review. This shows spend against budget.

The accounting records show that the council ended the year with income reported as 145.5 % of budget and expenditure reported as 122.0 % of budget. The additional income is due to Jubilee receipts and expenditure the same.

The council holds £17,304 in earmarked reserves (EMR), spread across a range of clearly identifiable projects. I checked the purpose of these EMRs with the Clerk and am satisfied they are all for legitimate future planned projects of the council.

The council also holds £7,534 in the general reserve.

The Joint Panel on Accountability and Governance (JPAG) Practitioner’s guide states *‘the generally accepted recommendation with regard to the appropriate minimum level of a smaller authority’s general reserve is that this should be maintained at between three and twelve months of net revenue expenditure’* (para 5.33).

The general reserve balance is within the recommended range. I estimate the net revenue expenditure to be in the region of £15k per annum

E. INCOME

Internal audit requirement

Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.

Audit findings

The precept accounts for 100% of the council’s budgeted income, unbudgeted amounts received during the year came from grants, bank interest, Jubilee event and VAT refunds. From a review of the accounting records, income appears to be recorded with sufficient narrative detail to identify the source and allocated to the most appropriate nominal code.

FR 9.3. The Council will review all fees and charges at least annually, following a report of the Clerk. The council has no fees and charges to review.

There is no evidence the council should be registered for VAT.

F. PETTY CASH

Internal audit requirement

Petty cash payments were properly supported by receipts, all petty cash expenditure was approved, and VAT appropriately accounted for.

Audit findings

The council does not have any petty cash – this test does not apply.

G. PAYROLL**Internal audit requirement**

Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied.

Audit findings

The Clerk is the only employee and has a signed contract of employment, based on the NALC template. I was able to verify that the salary is aligned to the NJC scale point range.

The council uses a third party for processing payroll, who calculates the PAYE and pension deductions. I reviewed the payslips for March and the payroll deductions appear correct. The salary payments are authorised and paid by the council in the same way as other payments.

I reviewed the total figure being included within box 4 (staff costs) on the Annual Governance and Accountability Return (AGAR) and confirmed that this includes only salary payments, HMRC payments and pension contributions.

There are no councillor allowances.

H. ASSETS AND INVESTMENTS**Internal audit requirement**

Asset and investments registers were complete and accurate and properly maintained.

Audit findings

The council has a fixed asset register in place which includes details of asset location, date of acquisition, cost or proxy cost, condition, estimated useful life and insurance and replacement values. Assets are correctly listed at cost/proxy cost, or where gifted/donated, given a nominal £1 value for the purpose of the asset register.

I confirmed the asset register total matches that included in box 9 (total fixed assets plus long term investments and assets) on the AGAR and was able to trace the changes to the previous year's total against the asset register.

I. BANK AND CASH**Internal audit requirement**

Periodic and year-end bank account reconciliations were properly carried out.

Audit findings

Financial regulation 2.2 states '2.2. On a regular basis, at least once in each quarter, and at each financial year end, a member other than the Chair shall be appointed to verify bank reconciliations (for all accounts) produced by the 6 RFO. The member shall sign the reconciliations and the original bank statements as evidence of verification. This activity shall on conclusion be reported, including any exceptions, to and noted by the Council.'

Bank reconciliations are completed monthly and presented to council at every meeting for review. I reviewed the March 2023 bank reconciliation and was able to confirm the balances to the bank statements and found no errors.

I noted that the reconciliation and bank statement have been signed in accordance with Financial Regulation 2.2.

Balances held are within the £85,000 protection limit offered by the Financial Services Compensation Scheme (FSCS).

J. YEAR END ACCOUNTS

Internal audit requirement

Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.

Audit findings

The council, at its meeting to sign off the year-end accounts, must discuss Section 1 of the AGAR (Annual Governance Statement) and record this activity in the minutes of the meeting. **COUNCIL IS REMINDED THAT THIS MUST BE A SEPARATE AGENDA ITEM PRIOR TO THE SIGNING OF SECTION 2 OF THE AGAR (ANNUAL ACCOUNTS).**

Section 1 – Annual Governance Statement

Based on the internal audit finding I recommend using the table below as the basis for that discussion.

	Annual Governance Statement	<i>'Yes', means that this authority</i>	Suggested response based on evidence

Audit findings

The year-end accounts have been correctly prepared on a receipts and payments basis with no requirement for the box 7 and 8 reconciliation.

The AGAR correctly casts and cross casts and last year's comparatives match the figures submitted for 2021/22.

The variance analysis has been completed to explain the variances exceeding 15% where required, and in my opinion, contains sufficient narrative and quantitative information for the External Auditor.

K. LIMITED ASSURANCE REVIEW

Internal audit requirement

IF the authority certified itself as exempt from a limited assurance review in 2021/22, it met the exemption criteria and correctly declared itself exempt. (If the authority had a limited assurance review of its 2021/22 AGAR tick “not covered”)

Audit findings

The council does meet the exemption criteria for 2021/22.

L: PUBLICATION OF INFORMATION

Internal audit requirement

The authority published the required information on a website/webpage up to date at the time of the internal audit in accordance with the relevant legislation

Audit findings

This internal control objective has changed since last year. Where previously it related to the relevant Transparency Codes, a council with annual turnover exceeding £25,000 was recommended to follow the Local Government Transparency Code 2015, but it was not a statutory requirement.

As the council has an annual turnover not exceeding £25,000, it is still required to publish the required information in accordance with the Transparency Code for Smaller Authorities.

A review of the council website shows the following:

Expenditure over £100 – expenditure items are included within the minutes of meetings. Publishing these as a separate list would make it easier to find the information, but the requirement has been met.

End of year accounts – there is a transparency tab on the website showing this information published for the previous five years, with space to publish this year’s information once approved by council.

Annual Governance Statement – this has also been published for previous years on the transparency tab, with space to publish this year’s information once approved by council.

Internal Audit Report – the internal audit reports for previous years are on the transparency tab, along with the interim report for 2021/22, with space to publish this year’s information once approved by council.

Councillor responsibilities – details of councillors are published on the councillor tab on the website.

Details of public land and buildings – the asset list has been published for the previous five years on the transparency tab, with space to publish this year’s information once approved by council.

Minutes, agendas and meeting papers of formal meetings – these are published on the meetings tab, with links to agendas, minutes and additional documents for each meeting.

All councils are required to follow The Accounts and Audit Regulations which include the following requirements:

13(1) An authority must publish (which must include publication on that authority’s website)

- (a) the Statement of Accounts together with any certificate or opinion entered by the local auditor in accordance with section 20(2) of the Act; and
- (b) the Annual Governance Statement approved in accordance with regulation 6(3)

13(2) Where documents are published under paragraph (1), the authority must

- (a) keep copies of those documents for purchase by any person on payment of a reasonable sum; and
- (b) ensure that those documents remain available for public access for a period of not less than five years beginning with the date on which those documents were first published in accordance with that paragraph.

I was able to confirm that pages 4 (Annual Governance Statement), 5 (Accounting Statements) and 6 (External Auditor's Report and Certificate) of the AGAR are available for review on the council website for the last five years.

M: EXERCISE OF PUBLIC RIGHTS - INSPECTION OF ACCOUNTS

Internal audit requirement

The authority has demonstrated that during summer 2022 it correctly provided for the exercise of public rights as required by the Accounts and Audit Regulations.

Audit findings

Inspection – key dates	2021/22 Actual	2022/23 Proposed
Date AGAR signed by council	30 May 2022	22 May 2022
Date inspection notice issued	9 June 2022	2 June 2023
Inspection period begins	13 June	5 June
Inspection period ends	22 nd July	14 th July
Correct length (30 working days)	Yes	Yes
Common period included (first 10 working days of July)	Yes	Yes

I am satisfied the requirements of this control objective were met for 2021/22, and assertion 4 on the Annual Governance Statement can therefore be signed off by the council.

I was able to confirm that the proposed dates for 2022/23 meet the statutory requirements.

N: PUBLICATION REQUIREMENTS

Internal audit requirement

The authority has complied with the publication requirements for 2021/22. Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website / webpage.

Before 1 July 2022 authorities must publish:

- *Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited*
- *Section 1 - Annual Governance Statement 2021/22, approved and signed, page 4*
- *Section 2 - Accounting Statements 2021/22, approved and signed, page 5*

Not later than 30 September 2022 authorities must publish:

- *Notice of conclusion of audit*
- *Section 3 - External Auditor Report and Certificate*
- *Sections 1 and 2 of AGAR including any amendments as a result of the limited assurance review.*

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

Audit findings

I was able to confirm that the Notice of Public Rights is published on the council website along with the Notice of Conclusion of Audit and External Auditor Report and Certificate and the publication requirements for 2021/22 have been met.

O. TRUSTEESHIP

Internal audit requirement

Trust funds (including charitable) – The council met its responsibilities as a trustee.

Audit findings

The council has no trusts – this test does not apply
